- Are looking for an account that rewards low balances as well as higher balances.
- Are looking to earn higher interest on funds with incentive of a tiered interest rate as balance increases.
- Save in a higher earning interest account without locking funds away.
- Would like access to funds when required without penalty.
- Do not want to pay monthly or annual fees.
- Have disposable cash flow they can deposit into this account to assist with saving for a particular goal or unexpected expenses.
- Are able to contribute funds to the account to build balance and become eligible for higher tiered interest.
- Are looking to remove the financial stress of having funds available for unexpected expenses or future goals without needing to obtain finance for the purpose.

Savings Plus Account

Consistency between target market and the product

This product is likely to be consistent with the likely objectives, financial situation and needs of the class of customers in the target market. This is based on an analysis of the key terms, features and attributes of the product and a finding that these are consistent with the identified class of customers.

This product is designed to assist consumers start out on a savings plan where they are rewarded based on the amount saved. Offering a tiered rate structure encouraging them to grow their savings. Aware that if they withdraw the funds, they may not receive the higher interest tier.

Excluded class of consumers

This product has not been designed for individuals who:

- Are under 18 years of age
- Are not Members of the Bank
- Want card access to an account

3. How this product is to be distributed

Distribution conditions

This product can only be distributed and/or in accordance with the relevant product terms and conditions as outlined in the FSG and other relevant material (as amended from time to time). This product is designed to be distributed through:

- Online through the Bank's Website
- In-store retail branch network
- Relationship Banking Team
- Direct Team & Mobile Lenders

This product should only be distributed under the following circumstances:

- An existing, or becoming a member of the Bank
- Be 18 years of age or over
- Access the product through the appropriate distribution channels

Adequacy of distribution conditions and restrictions

The Bank's application process has been tailored to identify the Target Market described in this TMD as part of the eligibility criteria for the product covered by this TMD, and the use of the Bank's application process would make it more likely that a product covered by this TMD will be acquired by persons in the Target Market.

4. Reviewing this target market determination

We will review this target market determination in accordance with the below:

Initial review	Within 9 months of the effective date.
Periodic reviews	At least every 12 months from the initial review.
Review triggers or events	<p>Any event or circumstances arise that would suggest the TMD is no longer appropriate. This may include (but not limited to):</p> <ul style="list-style-type: none"> • If we make a material change to the design or distribution of the product, including related documentation; • If a significant inconsistent dealing in the product occurs • If any other event occurs indicating that this TMD may no longer be appropriate. • An alteration in the eligibility criteria, lending criteria or application process; • Identified systemic issues in the product or across the product lifecycle; • Relevant material external events such as relevant litigation, adverse media coverage or regulatory attention; • Relevant feedback, information or notification received from distributor, regulator such as ASIC or APRA or other interested parties; • Significant changes in metrics. These include sales, portfolio changes, risk tolerance, loss ratios and complaints; and • Any significant dealings that are inconsistent with the TMD

Where a review trigger has occurred, this target market determination will be reviewed within 10 business days.
